Description

Compact Watering Station! The ready-to-use Premium Hose Reel HR 7.315 Kit 1/2" for mobile or stationary usage serves perfectly to water smaller and mid-sized areas and gardens. Thanks to its various stowage possibilities everything is in one place - finally. The features: removable drum (2 in 1), accessory holders to orderly store spray guns and nozzles, accessory box to store other garden tools like e.g. shares, shovels, garden gloves, etc. Including wall bracket, 15 m 1/2" Primoflex® hose, Nozzle Plus (2.645-177), 3 x hose connector, 1 x hose connector with Aqua Stop, G3/4 tap adapter, and G1/2 reducer plus additional clamp for spray lances. Fully assembled. Watering with Kärcher is the smart way to water!

Application

- For watering small to medium-sized areas and gardens.
- For watering food plants and useful plants (small beds, individual and potted plants)
- For watering ornamental plants (small beds, individual and potted plants)
- Cleaning gardening tools and garden furniture
-
